[1-Year Anniversary in Our New Office](#)

It is hard to believe that we are already coming up on our 1-year anniversary in our new office space on September 29th. It has been a very smooth transition and we couldn't be happier to share our new building with some of Vancouver's finest organizations.

Being able to walk across the street and enjoy music at Esther Short Park, shop at the Farmer's Market, and take a stroll along the waterfront have been some of the additional benefits from the move. If you still haven't had the chance to check it out, come swing by the office and we'll send you home with one of our mugs.

We're located in the heart of downtown, across the street from Esther Short Park!

For every referral you send our way, we donate \$25 to a local non-profit. This is a great way for us to give back to our community!

For the month of **September**, donations will go to the "Friends of the Carpenter". The more referrals you send us, the more we give, so spread the word!

The finest compliment we can receive is the referral of your friends, family, and business associates.
