Featured Non-Profit: Humane Society of Southwest Washington

Throughout the month of August, \$25 will be donated to the Humane Society for Southwest Washington for every referral our agency receives as part of our Referral Rewards Program. This non-profit organization has been caring for animals in the area since 1897 through collaboration with local veterinarians, animal rescue groups and more than 540 dedicated volunteers. Each year, HSSW is able to care for more than 8,000 animals, helping to make the organization's dream – all companion animals living in a loving home – a reality. They provide a

The School of Piano Technology for the Blind is hosting Keys to the City. Beginning August 5th and running through August 14th, hand-painted pianos will be placed in highly trafficked public places and act as gathering spots for celebrating music and art. Pete!

The month of June welcomed two new faces to our office one of which is Pete Riedel! Pete Riedel moved to the Vancouver area in 2002 after graduating from Bemidji State University in northern Minnesota with a B.S in Mass Communication. Before moving over to the insurance industry, Pete spent time working with cutting edge software and in property management. He has also served as a Sergeant in the Oregon Army National Guard 115th Mobile Public Affairs Detachment as a broadcast journalist. His role at Davidson & Associates Insurance is a new adventure for Pete. He is looking forward to learning his clients' businesses, identifying risks and providing protection against future losses.

Anne Sibley

This July, we are celebrated the presence of Anne Sibley on our team. Anne has been with our team for four years, but has been in the insurance world for 34! She has been married to her husband, Harry, for 25 years and has two wonderful children, Kate and Chris. When Anne isn't working, she can be found shopping or travelling to Ocean City, New Jersey to visit her husband's side of the family. Anne enjoys helping clients and having fun with the rest of the office. Thanks for a great four years, Anne! We like having fun with you, too!!

and then returned again in 2013. Tara lives in Vancouver with her husband, Alfonso and two sons, AJ and Ian. She started her insurance career in 1999 and now serves as our Agency Administrator. She earned a bachelor's degree in Business Leadership from University of Puget Sound with an emphasis in International Business and a minor in Mandarin Chinese. She spent time studying and living in Asia, but eventually returned to the Vancouver area. Tara's passions include spending time with her family, studying foreign languages, and dancing salsa. It's been a great six years, Tara- we like having you around!

Friendly Face Friday

Thank you to all who participated in our 2016 Flag Exchange! We were proud to host an event that retired older flags and provided new Stars and Stripes for community members! We received more than 230 flags, which have been given to the Fort Vancouver District Boy Scouts of America for a proper flag retirement ceremony, and we distributed 300 new flags. We are delighted and overwhelmed with the support of this event. Thank you to all who participated!
