During the month of June, we are excited to be partnering with a life-changing organization- Columbia River Mental Health Services. CRMH has been serving our area since 1942. Columbia River's mission says it best: "Lives Change Here!"

CRMH offers a variety services and is committed to enacting lasting changes in the lives of its clients. With an excellent team of therapists and case managers, adults living with mental illness can regain stability in their lives through the following programs: health and wellness education, mental health symptom management, conflict resolution, grief and loss counseling, healthy relationship development and much more. Those battling drug or alcohol addiction can find a variety of resources and help at Columbia River. They offer intensive outpatient and young adult outpatient programs with evening groups and substance use assessment. In addition, the NorthStar Clinic provides therapy as well as medication to treat addiction. CRMH also offers child and family services that include the Options Youth Program and Great Life Mentoring. Both programs collaborate with the child's family to provide the best possible

Work Anniversaries

Bryce Davidson In July, Bryce Davidson will celebrate five years at Davidson & Associates Insurance! Before joining our team, Bryce worked in San Francisco where he met his wife, Laurell. They will celebrate their 2nd anniversary in September. 2017 has been a big year for Bryce. He was named a part shareholder of Davidson & Associates. Also, he and his wife recently welcomed Tahoe Sherman Davidson, a labradoodle puppy, to the family! The family of three enjoys weekend road trips, new hikes in the Gorge, outdoor movies in the park and sunny walks along the waterfront! Living by the motto "Life is uncertain, eat dessert first," Bryce claims sweets as his favorite food. Bryce loves working with lenders, realtors and financial planners to educate them about insurance. Bryce, thank you for all that you have done for our agency for the past five years! We appreciate you.

Margaret Rogers July marks seven years at Davidson & Associates for our agent, Margaret Rogers. Margaret is a native Oregonian from the Coos Bay area. She has lived in the Vancouver area for the past nine years. Margaret enjoys working with the business team where she assists a variety of people. Her favorite part of the job is connecting with these clients and forming lasting relationships! Margaret loves to try new breweries and restaurants and get outdoors and visit the Gorge, especially during the summer when the sun finally comes out! An adventurous spirit, some of her interests include travel, building her tiki collection and the all things Elvis Presley. In fact, she has travelled all the way to Memphis to see the King's home, Graceland! Margaret's talent and fun personality are such an asset to our team. We are thankful for your dedication, Margaret!
