Referral Rewards

For every referral you send our way, we donate \$25 to a local non-profit. This is a great way for us to give back to our community!

For the month of **March**, donations will go to the "**Hockinson Foundation.**"

The more referrals you send us, the more we give, so spread the word! The finest compliment we can receive is the referral of your friends, family, and business associates. To refer someone online, click [HERE](#)

The Hockinson foundation began with community members who wanted to support graduating high school seniors at Hockinson High School. The school district, which opened in 2007, includes three schools and is located in Bruch Prairie, WA, emphasizes a culture of academic success and equipping students to become active participants in a changing world. Although the foundation is a separate entity from the school district, its goal is to support the school district in its mission and values.

With the help of generous donations from community members, the foundation has three scholarships for graduating seniors. These scholarships are awarded to two graduating seniors and one scholarship for a senior planning to go into a trade profession. The money for this scholarship was donated by one Hockinson father who wishes to support Hockinson students interested in trade careers. In addition to providing a vote of confidence and a sense of support from the community, these scholarships give seniors a lead into the school district's mission of developing "independent thinkers who actively contribute to the betterment of our changing world." The scholarships remind seniors and students of the support of their community. The award recipients

are chosen based on community involvement, academics and extracurricular activities. Those selected are well-rounded, active members of their school.

Bowling with Heart

For the fourth year, community members gathered together for Bowling with Heart, an event at Big Al's Beaverton benefitting Doernbecher Children's Hospital Dru's Chapter! Dru was born with medical complications and has faced several serious surgeries. However, with the support and care of the nurses and doctors at Doernbecher Children's Hospital, Dru is a healthy 19-year-old. Our team enjoyed being together at this terrific event and learning more about Dru's story. We must also admit that we never mind a chance for some office competition!

Although still a new organization, the foundation is quickly expanding. To support their continued growth and to learn more about the community that supports Hockinson High School, check out the Hockinson School District's website: <http://www.hocksd.org/>.

It's our 28th year!

This March, our agency is celebrating its 28th anniversary! What a full and exciting year it has been. We continued to enjoy partnering with the community through our Referral Rewards Program and are proud to say we've worked with 38 different local non-profits to date! We had a blast participating in terrific events like Share's Soups On and Give More 24! and enjoyed another successful Flag Day supporting our veterans. Our team has grown with the new additions of Chuy, Marci, Kylie and Ellie, as we celebrated office veterans like Audrey who has been here for 20 years! It's been a year of hard work, fun and celebration, and we couldn't have done it without you. Thank you, our clients and friends, for

GREEN! WE HAD ANOTHER great year of volunteering with Beaches for their Green Eggs and Ham, Sam I Am event. This annual event gives first graders the fun and zany chance to try a real Green Eggs and Ham breakfast as they read Dr. Seuss's famous Green Eggs and Ham. For the past 21 years Beaches has fed 7,000 in 5 mornings as they make their way to first grade classes around Clark County. The event encourages community fun and inspires kids and their parents to read together. We had a ball reading with kids, celebrating the beloved Dr. Seuss and, of course, seeing the first graders' reactions as they tried fluorescent green eggs!

you. Thank you, our clients and friends, for supporting and trusting us. We look forward to another great year of helping you protect the things that matter most as we continue to grow and serve the Clark County community.

Want to stay up to date with what's going at Davidson & Associates?

This March we're celebrating the head of our business department, Tony Johnson's, 9th year at Davidson & Associates! Not only has Tony been a strong leader in our office since he joined the team in 2009, but he's also quite the jokester and can be caught cracking jokes and yelling "Asta la hotdog!" as he darts from meeting to meeting. His favorite aspect of his job is helping business owners understand and manage risks and working with our team. When he's away from the office, Tony can be found outside, fly-fishing and spending time with his wife, Lori, and two kids, Cal and Sylvie. Cal recently started his freshman year at Oregon State while Sylvie, who is 13, is busy with dance and

While Gyvle, who is 10, is busy with dance and gymnastics. A little-known fact about Tony is that his favorite food is pistachios. Tony is an innovative, kind and hilarious presence in our office and we're excited to celebrate his 9th year at Davidson & Associates!

We're hiring!

Are you or someone you know looking for a new position in a great environment? We're expanding our team and looking for new team members to help our clients protect what matters most. Find out more information [here](#).
