Flag Day

It's almost time for our third annual Flag Exchange in celebration of Flag Day with the Vancouver Historic Trust. From June 11th-15th, we will be giving out 150 American Flags while supplies last and accepting old flags to be properly retired. Old flags will be given to local Boy Scout Troops to retire at summer camp. We are also proud to sponsor the Historic Trust's annual Flag Day ceremony on June 14th.

LSW Architects' New Ride

We share a building with some incredible local businesses on the corner of Esther Short Park. One of these businesses, LSW Architects, has shown their commitment to innovative solutions to challenges in our community through a vibrant flash of green color. If you've been downtown Vancouver, you may have spotted their brand new RYD Green vehicle. The vehicle, which seats six, features all-around windows and is painted a distinct bright green, is a solution to the limited parking in downtown Vancouver. RYD transports passengers around downtown, from parking lots to offices, for free! Not only that, but the unique green machine has 0 emissions. And it's 100% electric! Thank you, LSW Architects, for making our community a greener place!
