Referral Rewards in 2014

This year we were able to support 12 amazing organizations that make a huge difference in our community each and every day. We are humbled and honored to be able to integrate supporting our local non-profit organizations into our business plan. Our 2014 Referral Rewards Partners included: The Piano Hospital, Silver Buckle Ranch, Share of Vancouver, Junior Achievement, Boys & Girls Club of SW Washington, Partners in Careers, The Giving Closet, Human Services Council, The Foundation for Vancouver Public Schools, Options 360, Humane Society for Southwest Washington, and lastly the Ray Hickey Hospice House. It has been a blessing to be able to support these organizations with much needed cash donations. It is also an opportunity for us to raise awareness about some of the amazing organizations that are helping our students learn, preparing adults for success in the workforce, and protecting our most vulnerable.

Our Big Move Downtown

We spent the majority of the first half of the year preparing for our "Big Move" into our new office in the heart of Downtown, Vancouver. This included donating the majority of our office furniture to a variety of local non profit organizations. Our move has allowed us to improve the service we provide to our clients. Since the move we have added on 2 new employees in Savannah Mobley and Leslie Cook. Savannah is helping serve our Business Insurance clients and Leslie our Personal Insurance clients. If you haven't had the chance to meet them yet, please stop by and say, "Hi" the next time you are downtown.

Walk n Knock & Salvation Army Adopt-A-Family

In December, we were fortunate to have enough volunteers to have a Walk N Knock team, and adopt-a-family for Christmas through the Salvation Army program. A special thanks to our clients and friends who dropped off presents for our adopted family.

2 New Additions

Before the year was over we were able to add 2 new members to the extended Davidson & Associates Insurance family! Both were born on 12/13/14.

Please join us in welcoming **Ian Gonzalez** and **Jude Wadehra**!

(Ian Gonzalez with Mom "Tara Gonzalez")

(Jude Wadehra with Grandpa Bruce Davidson)

Featured Non-Profit: The Piano Hospital

The Piano Hospital has been an integral part of our community since 1966, when the founder, Emil Fries founded the non profit organization.

2014 Best in Business Award!

We have once again been chosen as the best insurance agency in Vancouver by the Vancouver Business Journal (VBJ) Best in Business Award Voters! The VBJ recently hosted their 2nd annual Best in Business online voting contest where they asked VBJ readers to cast votes for the companies that they prefer to do business with.

Thank you for your Trust and your Vote!

2015 Marks Our 25th Anniversary!

We are looking forward to the New Year and celebrating our 25th Anniversary! We are grateful for the trust that many have placed in us by allowing us to be their Insurance Advisor! Thank you for allowing us to serve you.

We value being part of our community. Watch for us throughout the coming year as we continue to show our appreciation and support!

Thank you for allowing us to serve you. We will continue to strive to help you protect what matters most to you.

Make More Happen Award Check Presentation

Due to the volunteer efforts from Cassie Guthmiller, Margaret Rogers, and Pat Spicer with the Foundation for Vancouver Public Schools Lunch Buddy mentor program, we were once again able to earn a Safeco Insurance Make More Happen Award. This earned the Foundation a \$3,500 donation!

(Our own Bryce Davidson & Ryan Perry from Safeco Insurance presenting the \$3,500 Check)

The School provides specialized quality education for blind and visually impaired individuals leading to successful careers in the field of piano technology. The Emil Fries School of Piano Technology for the Blind is a private, self-supporting school, not connected with or supported by any government agencies. Their staff earns a substantial share of the operating budget by tuning, repairing, and selling pianos in our local community.

We could not be more excited to help support such a well deserving organization. For the entire month of January, every referral sent to Davidson & Associates Insurance will result in a **\$25 donation** to the Piano Hospital.
